

# DANGEROUS GOODS CROSSWORD

We all sometimes feel like we don't have a clue about all the rules and agencies that regulate Dangerous Goods. Now you have 15!

## ACROSS

2. Based in Montreal but (fun fact) founded in Havana
5. Regulating everything from A1 to Zyrtec
7. Don't make waves with this bunch
9. Workplace safety keeps them occupied
11. It's their way on the highway
12. Oversees four other agencies in this puzzle
13. Known for pilot programs

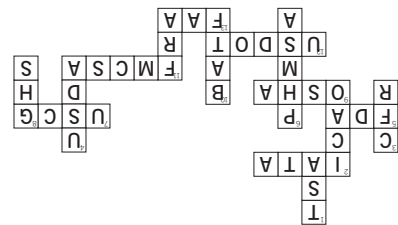

## DOWN

1. Their airport screenings are nothing to joke about
2. The international version of 13 across
3. Everyone's favorite 175,000-page book
4. Old MacDonald had a regulatory agency ...
6. More hazmat rules coming safely down the pipeline?
8. June 1, 2016 is its final deadline
10. Concerned with the caliber of some Dangerous Goods
11. They're in "training" 24/7/365

## INSTRUCTIONS

Every answer in the puzzle is an abbreviation of a DG regulatory agency or a set of regulations. The deeper your DG expertise, the faster you'll solve the puzzle. Have fun!

Of course, there's really only one answer you need to know: Keep your shipments safe, compliant and on time with solutions from Labelmaster.
